 - 2- Minutes from the previous regular scheduled meeting was not read
 - 3- Treasures report was done by Joyce Barnes.
- Joyce stated that there was \$1057.24 in the savings and \$135.54 in the checking.

4- OLD BUSINESS

- (a) Pasty Robal gave an update on were we stood with the annexation for Scenic to join the Beaver Dam Fire District, she stated that we were running out of time because once the annexation process starts there is a one year time limit. She also stated that there was two volunteer's that was going to go door to door and get signatures in each of the two section's but they have not followed through and wanted to know if there was anyone in the meeting who would be willing to help in this process. No one showed much interest and appears that the annexation process will not happen. However there were a lot of questions still about the district boundaries and a few residences did want to know how they could get into the fire district. Captain Jackson from Beaver Dam Fire answered some questions about the levy and the Fire Departments budget's that had to do with the annexation but in closing by show of hands the annexation process looks like it will not continue.
